Attorney

Bru

4.5. The Petitioner proposed the name of Shri Shailen Shah, Insolvency Professional, as "Interim Resolution Professional".

5. Respondent Company filed following objections;

- (a) The alleged financial debt of Rs. 793,53,00,000/- is a disputed one. It is stated that in terms of Master Restructuring Agreement, alleged debt is not payable;
- (b) Petition is premature which is filed without issuing Cure Period Notice;
- (c) Non-compliance of mandatory obligations by the Petitioner under Master Restructuring Agreement;
- (d) Petition is not as per Section 7 of the IB Code and Rule 4 of the Rules.

5.1. It is stated that the amounts mentioned in Item No.1 do not tally with the documents. In Item No.2, the Petitioner has not provided any supporting reasons as to how the Principal dues towards Fund Based plus Non-Fund Based has been inflated to Rs. 856,11,59,444/- from 793,53,00,000/-.

5.2. Petitioner not filed Record of Default with The Information Utility. Petitioner not filed latest and complete copy of Financial Contract.

5.3. The Company stated the following reasons that were beyond the control and power of the Company which adversely affected the performance and business of the Company;

- a) Workers' strike lasting for 5 months;
- b) Sudden withdrawal of accelerated depreciation on wind power projects under the new policy of the Government of India;
- c) General Based incentives did not get an extension by the Government of India;
- d) On account of (a) to (c), the Respondent faced cancellation of orders and consequently the working capital cycle changed and elongated from 6 months to 18-24 months;
- (e) Working capital facilities sanctioned were less than the Assessed Working capital limits required for the business thereby resulting in a financial crunch;
- (f) The period covered by the financial year 2014-15 was lost in the process of formation of the Joint Lenders' Forum and its implementation, including consideration of Rectification and Restructuring of the Respondent's accounts, that led to a virtual standstill in the operations of the Respondent, further adversely affecting fixed costs and increased interest costs which were paid to the lenders by the Respondents. The JLF decided Corrective Action Plan in June 2014 but the restructuring was completed only in March 2015, i.e. after considerable delays of Nine Months and that too after curtailment of amount of restructural package and moreover utilizing

substantial amount of funds towards adjustments of bank overdues thus defeating the basic purpose of restructuring for the revival of the Company. The end result was cancellation of large orders and payment of huge amounts of Liquidated Damages to its customers, resulting in irrecoverable setback to the WWIL's fortune;

- (g) The situation aggravated for the entire industry after the complete reversal of tariff policy for wind sector by Government of India from Feed-In-Tariff to Reverse Bidding resulting in drastic fall in tariff by around 50%.

5.4. The Respondent stated, in or about 2014 it faced severe liquidity constraint due to external factors indicated above; various Banks classified the Respondent as Special Mention Account-2; Joint Lenders Forum was formed and in the meeting of JLF held on 13th November, 2014 in principle agreed for Corrective Action Plan. In furtherance to the JLF held on 17th October, 2017 Wind World addressed an email dated 24th November, 2017 to the Petitioner informing that an investor has been identified who shall make the payment of One Time Settlement under the without prejudice offer provided that the Restructuring Letters do not precipitate any action against the Company including approaching this Tribunal under the provisions of the Code as it may result in deterioration in valuation of the Company. But JLF convened a meeting on 7th December, 2017 without any intimation to Wind World and decided to approach NCLT under the IB Code without considering the offer of the investor. The proposed action by the Petitioner will affect the expertise and bona fide conduct of Indian Directors who have invested their monies in

the Company. The proposed action also will affect the livelihood of about 4000 employees and their families and servicing of national assets constituting 5000 MW of wind power project worth around Rs.25,000 Crores. The Respondent stated that this Petition is wholly misconceived and is liable to be dismissed.

C.P. No.(IB) 14/7/NCLT/AHM/2018- DISCUSSION

1. The first objection raised by the Corporate Debtor/Respondent Company is that the alleged financial debt is a disputed one and it is not payable in view of the Master Restructuring Agreement. But a perusal of the Master Restructuring Agreement reveals that, in case of default, the Financial Creditor is entitled to recall the entire debt. In fact, the Financial Creditor Bank issued notice dated 21st December, 2017 to the Corporate Debtor demanding

Atkari

B. N. Page 36 | 42

the payment of amount due. Therefore, the terms of Master Restructuring Agreement do not come in the way of triggering Corporate Insolvency Resolution Process on the basis of a Petition filed by the Financial Creditor.

1.1. The pendency or otherwise of the disputes relating to the financial debt in question is of no consequence, in view of the decision of the Hon'ble Supreme Court of India in **M/s. Innoventive Industries Ltd (Appellant) Vs. ICICI Bank & Anr. (Respondent)** in Civil Appeals No. 8337-8338 of 2017, wherein it is held in Para No. 30 as follows;

"30. On the other hand, as we have seen, in the case of a corporate debtor who commits a default of a financial debt, the adjudicating authority has merely to see the records of the information utility or other evidence produced by the financial creditor to satisfy itself that a default has occurred. It is of no matter that the debt is disputed so long as the debt is "due" i.e. payable unless interdicted by some law or has not yet become due in the sense that it is payable at some future date. It is only when this is proved to the satisfaction of the adjudicating authority that the adjudicating authority may reject an application and not otherwise."

1.2. Therefore, the pendency of the disputes regarding the financial debt relating to this case is of no consequence.

2. The next objection raised by the Corporate Debtor is Cure Period Notice not given. In view of the Clauses in the Master Restructuring Agreement, when the debt is payable and a notice has already been issued demanding payment, the question of issuance of Cure Period Notice does not arise.

2.1. The non-compliance of mandatory obligations by the Petitioner under Master Restructuring Agreement also do not come in the way of commencement of Corporate Insolvency Resolution Process, in view of the decision of the Hon'ble Supreme Court in *M/s. Innoventive Industries Ltd.*, (Supra).

3. Another objection raised by the Respondent is, that the Petition is not in accordance with Section 7 of the Code and Rule 4 of the Rules. The Petitioner has placed all the documents concerned relating to various Loan Facilities and the Statements of Accounts, Bankers Account Certificate as per Bankers' Books Evidence Act. The Petition is complete in all respects. No specific instance is brought to the notice of this Adjudicating Authority regarding non-compliance of the provisions of the Code and the Rules. The variation in the amounts of financial debt is on account of calculations made for different periods. Therefore, that is not an issue by which it could be said that the Petition is not according to the Code and the Rules.

4. The Financial Creditor in CP (IB) No. 14 of 2018 also proposed the name of Interim Resolution Professional and filed his Written Communication. Therefore, the Petition is complete in all respects and it needs to be admitted. Accordingly, the Petition, CP (IB) No. 14 of 2018 is admitted for commencement of Corporate Insolvency Resolution Process in respect of the Respondent Company, M/s. Wind World (India) Limited (Corporate Debtor).

5. Shri Shailen Shah, Resolution Professional, is hereby appointed as 'Interim Resolution Professional' having address at BSRR & Co., Lodha Excelus, 5th Floor, Apollo Mills Compound, NM Joshi Marg, Mahalaxmi, Mumbai-400011.

5.1. In view of the appointment of Interim Resolution Professional named by the Financial Creditor in CP (IB) No. 14 of 2018, there is no need to consider the names of Resolution Professionals proposed by some of the Operational Creditors.

6. The Interim Insolvency Resolution Professional is hereby directed to cause a public announcement of the initiation of 'Corporate Insolvency Resolution Process' and call for submission of claims under Section 13(1)(b) read with Section 15 of the Code and Regulation 6 of Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016.

7. This Adjudicating Authority hereby order moratorium under Section 13(1)(a) of the IB Code prohibiting the following as referred to in Section 14 of the Code;

(a) the institution of suits or continuation of pending suits or proceedings against the Company/corporate debtor including execution of any judgment, decree or order in any court of law, tribunal, arbitration panel or other authority;

(b) transferring, encumbering, alienating or disposing of by the Company/corporate debtor any of its assets or any legal right or beneficial interest therein;

(c) any action to foreclose, recover or enforce any security interest created by the Company/corporate debtor in respect of its property including any action under the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (54 of 2002);

(d) the recovery of any property by an owner or lessor where such property is occupied by or in the possession of the Company/corporate debtor.

- (i) There shall not be any interruption, suspension or termination of supply of essential goods or services to the Corporate Debtor during the moratorium period.
- (ii) The order of moratorium is not applicable to the transactions that may be notified by the Central Government in consultation with any financial sector regulator.
- (iii) The order of moratorium comes into force from the date of the order till the completion of Corporate Insolvency Resolution Process subject to the Proviso under sub-section (4) of Section 14.

8. In view of the commencement of Corporate Insolvency Resolution Process in CP (IB) No. 14 of 2018, there is no need to pass separate orders of admission or otherwise on the Petitions filed by the Operational Creditors. However, the Operational Creditors concerned, in this batch matters, are at liberty to file their claims, if any, before the Interim Resolution Professional appointed in CP (IB) No. 14 of 2018.

9. All these Petitions are disposed of accordingly. No order as to costs.

10. Communicate a copy of this order to the Financial Creditor, IDBI Bank Limited; to all the Operational Creditors; to the Respondent Corporate Debtor; and to the Interim Insolvency Resolution Professional.
