section 252 of the Companies Act, 2013 for restoration of the name of the appellant company in the register maintained by the Registrar of Companies, NCT of Delhi and Haryana.

2. As per the averments Magic Info Solution Private Limited was incorporated on 21.05.2006 and has its registered office at D-13, Defence Colony, New Delhi- 110024 within the jurisdiction of this Tribunal. The appellant Company is currently engaged in the business of Real Estate.

3. A sweeping action was initiated by the RoC at the instance of MCA in striking of the names of several Companies who had failed to file their Statutory Returns. The appellant had failed to file its Annual Returns and Financial Statements after the Financial Year Ending 31.03.2015, thereby giving rise to the surmise that the business of the company was not in operation. Consequently, its name was struck off by the Respondent from the Register of Companies under Section 248 of the Companies Act, 2013, upon taking steps in accordance with law and issuing a notification in the Official Gazette. The names of the affected companies were posted on its website.

4. The appellant company admits its default in carrying out the statutory compliances but submits that the same was due to lack of professional guidance, inadvertence & oversight.

5. In order to corroborate its business operation the petitioner has placed before us the following evidence:

- I. Copy of Executed Apartment Buyer's Agreement .
- II. Copy of Bank Statement issued by HDFC Bank showing various business transactions prior to impugned action.
- III. Copy of Salary Sheet of employees from the month of April 2017 to July 2018.
- IV. Copy of Invoices raised by the appellant company.
- V. Copy of GST Registration.
- VI. Copy of Sale Deed dated 21.02.2011 along with Collaboration Agreement dated 17.02.2011 executed by the appellant company.
- VII. Copy of Development Agreement dated 05.08.2011 executed between the appellant company & Godrej Properties Limited.

6. The provisions pertaining to restoration of the name of the company has been provided in Section 252 of the Companies Act, 2013 which includes that if in the opinion of the Tribunal it is considered just and equitable to restore the name of the company in the Register of Companies, it may direct the RoC to restore the name in its Register.

7. The case of the appellant is covered by a catena of judgments where restoration has been duly allowed. As per the law laid down, a chance should be given to the company, its members and creditors to revive the company, giving them the opportunity of carrying on the business if the court is satisfied that such restoration is necessary in the interest of justice.

8. A perusal of the documents referred to in paragraph 5 above, reflects that the appellant has been in business and has certain Assets which necessitate restoration of its name in the Register of Companies. The appellant company is also pursuing in respect of the assessment carried out by the Tax Dept for the Annual Year 2013-14. The assumption of RoC that the company was not in operation was merely on grounds of non-filing of the Statutory Returns. The Act itself provides for redressal of these defaults. A step as stringent as what has been taken at least requires an opportunity to the appellant to take remedial measures. Merely to disallow restoration on grounds of its failure

to file annual returns would neither be just nor equitable. As per several decisions of various Courts it should only be in exceptional circumstances that Courts should refuse restoration where the company has been struck off for its failure to file annual return as that would be excessive or inappropriate penalty for that oversight.

9. Accordingly, the petition is allowed subject to payment of costs of Rs. 25,000/- to the Prime Minister Relief Fund. The restoration of the petitioner company's name in the Register will be subject to their filing all outstanding documents for the defaulting years as required by law and completion of all formalities, including payment of any late fee or other charges which are leviable by the respondent for the late filing of statutory returns. The name of the petitioner company shall then stand restored in the Register of the Registrar of Companies (RoC), as if its name of the company had not been struck off.

10. The direction for freezing the Bank Account(s) of the appellant company, if on this ground, shall consequently be also set aside immediately to enable the company carry out its business operation. Compliance of this order for restoration shall be made by the respondent with all its consequential effects within one week of compliance by the appellant.

11. The petition is disposed of accordingly.

12. Let the copy of the order be served to the parties.
