The present Authorized share capital of the Company is Rs. 160,00,00,000/- (Rupees One Hundred and Sixty Crores only) consisting of 16,00,00,000 Equity Shares of Rs 10/- each. The issued, subscribed and paid up capital is Rs. 104,06,18,460/- consisting of 10,40,61,846 equity shares of Rs 10/-each.

It is averred in the Company Application that, the Applicant was appointed as Statutory Auditor of the company for financial years 2008-09, 2009-10 and 2010-11 and continues as Statutory Auditors of the Company.

It is further averred in the Application that, the company was initially engaged in trading of iron ore. Subsequently, the Company started generation of power and started manufacturing of beneficiated ore in the year 2007-08 and has maintained cost records for power and beneficiated ore. During the year, 2-008-09, the company started manufacturing of sponge iron, billets, pellets and TMT bars either on its own or due to merger of HKT Mining Private Limited with the Company and has maintained cost records for sponge iron, billets, pellets and TMT bars. Accordingly, the company has to maintain cost records.

It is further averred that, the Applicant in his Audit Reports for the financial years ending 31/03/2009, 31/03/2010 and 31/03/2011 vide Sl. No. 8 Annexure to the Audit Reports has stated that, the Central Government has not prescribed maintenance of cost records for any other product manufactured by the company other than power.

It is further averred that Ministry of Corporate Affairs has ordered inspection of the books and records of the Company under section 209A of the Companies Act, 1956, and during the course of inspection the Inspecting Officer found that, in the Auditor's Report attached to the Balance Sheet for the financial years 2008-09, 2009-10 and 2010-11, the Applicant has wrongly reported that the Central Government has not prescribed the maintenance of cost records for any other product other than the power currently manufactured by the Company and consequently found that, the Statutory Auditors have violated Section 227(4A) of the Companies Act, 1956. Accordingly, Registrar of Companies, Karnataka, Bangalore issued Show Cause Notice bearing No. ROCB/MMM/SCN/SEC 227(4A)/030365/2015 dated 10<sup>th</sup> April 2015.

However, the Applicant voluntarily admitted that, in his Report he had inadvertently stated that, the Central Government had not prescribed maintenance of cost records for any other product manufactured by the Company other than power and thereby contravened the provisions of section 227(4A) of the Companies Act, 1956.

We have heard the counsel for Applicant. The learned Counsel contended that, the said contravention committed by the Applicant was neither intentional nor willful and further urged that, a lenient view may be taken while compounding the offence.

We have seen the Show Cause Notice issued by the Registrar of Companies, Karnataka, Bangalore to the applicant in which, it is clearly stated that, the Applicant has wrongly reported in the Auditor's Report attached to the Balance Sheet of the Company for the financial years 2008-09, 2009-10 and 2010-11 that, the Central Government has not prescribed the maintenance of cost records for any other product other than the power currently manufactured by the Company and thereby contravened the provisions of section 227(4A) the Companies Act, 1956.

Section 227 (4A) of the Companies Act, 1956 reads as follows:-

“the Central Government may, by general or special order, direct that, in the case of such class or description of companies as may be specified in the order, the auditor’s report shall also include a statement on such matter as may be specified therein:

Provided that before making any such order the Central Government may consult the Institute of Chartered Accountants of India constituted under the Chartered Accountants Act, 1949 (38 of 1949), in regard to the class or description of companies and other ancillary matters proposed to be specified therein unless the government decides that such consultation is not necessary or expedient in the circumstances of the case.”

Further, section 209 (1) (a) of the Companies Act, 1956 reads as follows:-

“every company shall keep at its registered office proper books of account with respect to –

- (a) all sums of money received and expended by the company and the matters in respect of which the receipt and expenditure take place;”

Section 233 of the Companies Act, 1956 is penal provision for violation reads as follows:-

“If any auditor’s report is made, or any document of the company is signed or authenticated, otherwise than in conformity with the requirements of section 227 and 229, the auditor concerned, and the person, if any, other than the auditor who signs the report or signs or authenticates the document, shall, if the default is wilful, be punishable with fine which may extend to Rs 10,000/-”

We have perused the documents filed by the Applicant. We have seen the Show Cause Notice and after going through the Company Application under section 621A of the Companies Act, 1956 and further submissions made by the Counsel for the Applicant and the observations of the Registrar of Companies, Karnataka, Bangalore in his report bearing No. ROCB/MMM/621A/2015 dated 4<sup>th</sup> September 2015, we hereby levy compounding fee for violation of provision of section 227(4A) of the Companies Act, 1956 on the Applicant as shown in the table given below:-
