8. As stated supra, there is a prescribed procedure under the Act as to how the Registrar of Companies to strike off from the Register of companies. By reading of averments made in the application and the submission made by the Learned Registrar of Companies, the impugned notices have been issued in accordance with law as stated supra. However, before taking final action to strike off a Concerned Company U/s 248(5), the Registrar of Companies, is under duty to follow proviso 6 of section 248, which mandates the Registrar of Companies to satisfy

himself that sufficient provisions has been made for realisation of all amounts due to the Company and for payment or discharge of its liabilities and obligations etc. In the instant case, as stated supra, the Company is carrying on its normal business as per balance sheets, Income Tax returns etc which are filed along with application. Therefore, in the interest of Company and its employees and public employment, the case has to be considered favourably. The employees are to be paid their wages for the services rendered. And thus striking off the name of Company would also result in serious repercussions like Debit Freeze accounts of the Company with its Bankers etc. Therefore a lenient view, as expeditiously as possible, is required to be taken in the instant case.

9. As per section 252 (3 )as extracted above, a Company, or any member or creditor workman, if they feel aggrieved by striking off its name can approach the Tribunal by way of application , before expiry of 20 years after date of publication. On being filed an application, the Tribunal can order to restore striking off company on its role, if it is satisfied that the company was, at the time of its name being struck off, carrying on business or in operation or otherwise it is just that name of a company be restored to the Registrar of companies.

As narrated supra, it is not in dispute application has been filed by properly authorised person on behalf of Company, it is within limitation and it is carrying on business even by time of impugned action, and it has suitably explained the reasons for not filing required documents with Registrar of Companies, which ultimately leads to impugned action.

10. The Ministry of corporate affairs has issued a notification dated 26 December 2016 framing the rules under section 248 known as companies (Removal of names from the ROC) Rules 2016

Rule 3 (2) and (3) are relevant to the present case, which is extracted below for ready reference:

Rule 9 deals with the Notice of striking off and dissolution of the company.

11. Article 19(g) in the Constitution of India 1950, confers right to all citizens of India to practice any profession or to carry on any occupation, Trade or Business.

In accordance with this Constitutional provision, the Companies Act of 2013 also confer such rights to its citizen by permitting them to incorporate a Company under the Act to carry on any profession, Trade and Business. In the instant case, it is not in dispute that the Company is incorporated in accordance with Act and prima facies to prove that the Applicant Company is following all extant provisions of companies Act in consonance with its Memorandum of Association and Articles of Association of the Company till the impugned violation(s) are noticed. It is not in dispute that Registrar of the Companies is empowered to take the impugned action and only the point here is that he has to strictly comply with provisions as extracted above. A Court/Tribunal cannot interfere with normal activities of business of a Company being carried on in accordance with law unless any serious violation of law committed by a Company. As stated supra, the impugned violations are not so severe so as to take serious view of it. Moreover, the Company has come forward to file all required documents comply in accordance with law along prescribed/additional fee along with fine. It is

also relevant to point out here that there is no bar for a Company, which is struck off, can register new company, in accordance with law.

12. As stated supra, the Company is rendering Constructions and infrastructure and it is running without any interruption. The Employees are suffering a lot by virtue of impugned action. In terms of section 248(6) of Act as extracted supra, the above consequences are required to be looked into while passing final order under 248(5) of the Act. It is no doubt that the Company, on its part, is under statutory obligation to comply with all extant provisions Companies Act, 2013. The Company is now satisfactorily explained to Tribunal the reasons for the delay in filing statutory returns in question and expressed its willingness to file them along with payment of prescribed fee.

As stated supra, the Learned ROC also did not oppose the application but it can be considered subject to compliance of statutory provisions and undertaking etc.

13. In light of aforesaid facts and circumstances of case and the extant of provisions of the companies Act 2013 and rules here under, I am satisfied that the applicant Company has filed the present application within prescribed time under law, and also shown sufficient reasons to order Restoration of its name in the Register of companies maintained by the Registrar of Companies. Therefore, the Company application deserves to be allowed, however, subject to filing all pending returns, Annual returns, Balance sheets, statements etc., along with prescribed and addl. fee under law. And also subject to giving

undertaking that they would not resort to such type of violations in future.

14. By exercising the powers conferred on this Tribunal under Section 252 (3) of the Companies Act, 2013, and Rule 87A of NCLT (Amendment) rules 2017 R/w NCLT Rules, 2016, the Company Application bearing CA No.103/252/HDB/2017 is disposed of with the following directions:
