**CP 445/252/NCLT/MB/MAH/2017**

Looking at the ROC report, it appears on one side, ROC has struck off the Company for not carrying out business for the last two immediately preceding financial years, whereas in para 7, the ROC stated that it has no objection for restoration of the Company, by seeing it, this Bench could not understand anything from these two statements opposite to each other, whereby, the ROC is hereby directed to file a detailed report alongwith material stating as to whether it has objection or no objection to allowing this application.

List this matter on 23.11.2017 for ROC report.
